

# FundQuest Sales Tax Recovery

Have you overpaid your GST, PST, HST sales taxes for years? Have you overpaid your customs duties and made duplicate payments? Are you continuing to overpay? And don't realize it? Many companies who sell goods and services to or from Canada have been overpaying Canadian sales tax and custom duties for a very long time. Sales Tax Recovery services can provide you with the following:

- » Extensive review to Identify and recover overpaid taxes, duties, duplicate payments quickly.
- » Correction of current tax model processes that result in overpayments.
- » Assurance that you are not continuing to overpay.
- » Saves you time to deal with day to day business.
- » Review of best practices and compliance.

## Who can benefit:

- » Any entity with at least \$20 Million in sales annually over the past 4 years.
- » Manufacturers.

FundQuest's Sales Tax Recovery experts will conduct a non-invasive digital review of all paid sales tax transactions over the past 4 years to find tax-saving opportunities to recover your tax and duty over-payments and secure a refund. It is not unusual to find tens or hundreds or thousands of \$ overpayments.

**FundQuest will assist you in your efforts to save time and increase your cash flow by claiming sales tax and duty payments for the past four years.**
